

The mission of the Olympic-West Sound Chapter of the National Kitchen and Bath Association is to promote professionalism and ethical business practices, enhance member success and excellence and provide direction and leadership for the kitchen and bath industry of Western Washington.

Thank you to Bill Hoke and Patricia Graf-Hoke of 90 Minute Marketing for presenting a wonderful workshop at our April Meeting!

The 90 Minute Marketing Workshop was a great reminder on what the kitchen and bath industry needs to do in order to stay afloat in this upside down economy. Thank you to both Bill Hoke and Patricia Graf-Hoke for a great breath of fresh air!
