

**A MESSAGE FROM YOUR
CHAPTER PRESIDENT**

2013 is off to a fantastic start! Economic indicators are all pointing towards improvement in the home building and home remodeling industries bringing much welcome relief to our members. To add to this momentum, your Chapter Board has been hard at work putting together a great line up of presentation topics and speakers to help you enhance your business skills and product knowledge. Make the most of your associate dues by marking your calendar and planning to attend Chapter events in 2013.

Two opportunities to increase your market exposure

- Did you know that our Chapter maintains a website for our Chapter members? www.nkbaolyws.com. If you are current with your NKBA dues, you are listed on this website. Please check your listing to ensure that your contact information is correct. If you have updates please forward them to Nancy Finneson our Chapter Representative / VP of Communications and Technology at nancy@demanedesign.com
- Volunteer in the Chapter booth at the up-coming Peninsula Home & Garden Expo at the Kitsap Fairgrounds

I am looking forward to seeing you all very soon and wish you a fabulous 2013!

All the best,

Molly McCabe, AKBD, CGP, CAPS
Olympic West Sound Chapter President

THINK ABOUT connecting...
