

THE PRESIDENT'S CORNER

Hi All,

We appreciate your interest in the Olympic West Sound Chapter of the NKBA.

We are kicking off a rather ambitious meeting schedule for the new year. A variety of topics, something for every interest, and for those needing CEU'S we will have several event and presentation offerings through out the year.

Later in the fall we are planning a two day retreat that will be energizing, educational and fun. Stay tuned ... more information will follow.

Consider entering a design competition exclusive to NKBA members. Show your peers and the public your work. For more information:

Please plan to be with us for each opportunity for fun, education and a chance for networking.

Sincerely,
Ted Abbott , AKBD
Chapter President
